WEEE REGISTRATION POLICY

As a Producer under the UK WEEE Regulations, DP Medical Systems Ltd complies with its Producer Obligations by being registered as a Member of the WeeeCare Compliance Scheme and obtaining the WEEE Producer Registration Number – WEE/FA0144QR

Under the UK WEEE Regulations, DP Medical Systems Ltd provide a “take-back” system which allow our customers the opportunity to return their WEEE to DP Medical Systems Ltd for WEEE disposal, reused or recycle.

As a B2B Producer and Distributor under the UK WEEE Regulations, DP Medical Systems Ltd allows for end users of the EEE placed on the market in the UK to return WEEE back to us on a like-for-like basis for new EEE purchased. Such WEEE can be returned to the following location: DP Medical Systems Ltd, 15a Oakcroft Road, Chessington, Surrey KT9 1RH.

If you would prefer us to collect your WEEE from your premises, please contact us as there will be a transport charge for such WEEE from your premises and delivery of such WEEE to an Approved Authorised Treatment Facility (AATF). The charge will only cover the cost of transportation and handling and will not include any cost in relation to the treatment or reprocessing of WEEE as defined by the Regulations.

Alternatively, there is a network of recycling centres across the UK where consumers of WEEE can also take WEEE free of charge to be discarded, reused and/or recycled. The complete list of locations can be found at: www.recyclenow.com
